

The background of the entire page is a dark, textured brown. Centered in the upper half is a large, detailed illustration of a man's face and upper torso. The man has a long, dark beard and mustache, and his eyes are closed or looking down. He wears a crown with a central circular emblem and large, branching antlers that extend upwards and outwards. A necklace with a scalloped, shell-like pattern hangs around his neck. On his chest, there are two circular, concentric ring patterns. At the bottom center of the page is a large, stylized, golden-yellow star or cross-like symbol with multiple points and a small floral motif at its base.
