

Aladdin's®

SINCE 1994

MORE THAN 30 YEARS OF

HEALTH · HERITAGE HUMAN CONNECTION

... AND IT ALL STARTED WITH FAMILY

When Fady Chamoun arrived in the US from Lebanon in 1972 to attend the University of Michigan, he had big dreams of opening a restaurant featuring healthy Lebanese fare. In 1994, his dream became a reality, and Fady and his wife Sally opened the first Aladdin's Eatery in Lakewood, Ohio.

THE ALADDIN'S WAY

We believe that every meal is an opportunity to bring people together. Our passion for Lebanese hospitality goes *beyond the food*—it's about sharing warmth, tradition, and genuine human connection.

A GENEROUS SPREAD

Lebanese **hospitality** shines through with a table filled with small plates like hommus, tabboule, baba gannouj, and warak enab, followed by hearty mains like grilled meats, or soups. We ensure there's something for everyone, **just like home**.

AUTHENTIC FLAVOR

Every day, our team is **hard at work** chopping fresh vegetables, baking warm pita bread, and carefully mixing herbs and spices. Each dish is **crafted from scratch**; whether it's our **house-made dressings** or sauces, every ingredient is prepared with love and attention.

THE HEART OF HOSPITALITY

In true Lebanese fashion, **we treat every guest like family**. You'll find the same genuine welcome at our table, where you're invited to relax, indulge, and enjoy. In the spirit of "**Sahtain**," we'll make sure that every bite nourishes both your body and your soul.

OUR PROMISE TO YOU

Our story is rooted in **time-honored traditions** and recipes passed down through **generations**. Our promise to you is to provide a memorable dining experience where every bite connects you to our **heritage, our values, and our family.**

Thank you for being part of it.

DON'T FORGET TO TREAT YOURSELF

Every Lebanese meal is completed with a sweet touch -- like riz bhalib or a cocktail shekaf -- followed by coffee or tea. It's our way of celebrating the joy of good company and shared traditions that remind us that home is wherever we gather.

Our soups are made
daily from scratch!
